

CHILLING, NIGHTMARE HORROR IN THE GLARE OF THE MEDITERRANEAN SUN.

For famous trouble-shooting photographer Don Tierney, a peaceful assignment on the beautiful Greek island of Rhodes is a chance for some much-needed relaxation.

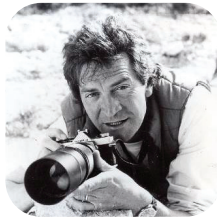

Until he notices that something very strange is happening there. Until he is touched by a monstrous evil more hideous than anything he has ever known - a horror that will engulf him and reach out remorselessly for his wife Anne as she tries to discover his fate on THE DARK SIDE OF THE SUN
